Master Recyclers

2012 Training Program

Be a part of Josephine County's second annual Master Recycler program! Learn from local experts about waste prevention & reduction, composting, and recycling in our county.

Whether your wish is to gain the "green" edge for your business, give back to the community, expand your knowledge, or simply have fun with a great group of people, Master Recyclers is the place for you!

Apply online by February 29th:
