Curbside Recycling Service Guide

**Reduce, Reuse,
then Recycle**

Make Your Recycling Efforts Count

Quality over Quantity!

- Follow our list of recyclables only, not the product label or recycling symbol
- Be vigilant in eliminating contamination from your cart
- When in doubt, throw it out
- Just toss the recyclable items in your cart, no bags please
- Reduce the materials you know cannot be recycled through our programs

What About Recycling Used Motor Oil?

NOTE: Oil must be poured into non-breakable gallon containers with tight fitting screw caps (plastic gallon bleach or milk jugs work best). Place jugs NEXT TO your recycle cart.

*You can recycle some materials
at the Reedsport Transfer Station*

**Reedsport Recycling
& Transfer Station:**

300 Reedsport Landfill Rd, Reedsport
Wed. - Sat., 8:00 am - 6:00 pm

Free of Charge Recyclables:

**Metal
Corrugated Cardboard
Auto Batteries
Motor Oil**

Stay informed!

If you have any additional recycling questions, please contact our Recycling & Educational Outreach Associate at: recycle@sosanitation.com
